WHAT IS THE BOWLER OF THE MONTH TOURNAMENT?

The Bowler of the Month Tournament is a USBC certified event conducted by the La Crosse River Valley USBC. It is sponsored by the Association with various area businesses and organizations contributing merchandise and gift certificates for all bowlers.

This is a FREE tournament open to all members of the La Crosse River Valley USBC that qualify by bowling over your average in league competition. The bowler with the most pins over average for that month from the Center qualifies for the tournament. Each Association bowling center will have a bowler of the month winner each month from October through March. The monthly winners are eligible to bowl in the tournament. Rules and entry forms are available at all association bowling Centers and on the web page.

How do you enter?

1. Record your league scores for the month on a tournament entry form
2. Have your league secretary verify and sign the form
3. Return form to the bowling Center by the 15th of the following month.
